8th INTERNATIONAL FESTIVAL RICCIONE, SAN MARINO - FLORENCE FOLKLORE, CHOIRS & ORCHESTRAS *"Tramonto Sul Lungomare"* August 31– September 05, 2018.

Festival is organized by Mediteranian Organization in cooperation with local municipalities, chambers of commerce and local ensemble. The festival will be covered in media by the local and international press and television. Mayors or the deputy mayors, from the cities of festival contestants, will be honored guests of the festival at the expense of the organizer.

San Marino - Of the world's 196 independent countries, San Marino is the fifth smallest and – arguably – the most curious. How it exists at all is something of an enigma. A sole survivor of Italy's once powerful city-state network, this landlocked micronation clung on long after the more powerful kingdoms of Genoa and Venice folded. And still it clings, secure in its status as the world's oldest surviving sovereign state.

Florence - Return time and again and you still won't see it all. Stand on a bridge over the Arno river several times in a day and the light, mood and view changes every time. Surprisingly small as it is, this riverside city looms large on the world's 'must-sees' list. Cradle of the Renaissance and of tourist masses that flock here to feast on world-class art, Florence (Firenze) is magnetic, romantic and busy.
