Budapest - the Hungarian capital is the national industrial, economic, cultural, educational and tourist centre. It is one of only few capitals on „Beautiful Danube“, and it is considered as one of the most beautiful cities in Europe. Binding two cities, Budim and Obuda on the right side and Peshta on the left side, it became a city which lies down on both banks of such a great river as Danube. Hungary is well known for its tasty food and for great domestic wines as well. The city attracts about 4.3 million tourists per year, making it the 25th most popular destination in the world (and the 6th in Europe).

Prague– the *City of gold*, the *City of hundred towers*, will leave you breathless. A city of perfect harmony of Gothic, Renaissance, Baroque and Modern Art. Nowadays Prague is a European metropolis, a city full of life and of possibilities for entertainment, from shopping centers to countless pubs and restaurants, where you can have a pint of excellent Czech beer of various famous brands.
