**XVII INTERNATIONAL FESTIVAL  
of folklore, choirs & orchestras  
*BUCHAREST – ROMANIA*  
*“Little Paris”*  
**November 16 - 19, 2023****

**Festival is organized by Mediteranian Organization in cooperation with local municipalities, chambers of commerce and local folklore ensemble. The festival will be covered in media by the local and international press and television. Mayors or the deputy mayors, from the cities of festival contestants, will be honored guests of the festival at the expense of the organizer.**

**Bucharest** is unique in a way that goes beyond the usual travel stereotypes. With its eclectic, noisy and confusing look and mixed Western-Balkan atmosphere, today's Bucharest is one of Europe's most authentic capitals and the second coolest city on the continent according to Slate magazine. Bucharest is Romania's most visited city, and its very particular and chaotic mix of architectural styles and diverse cultural influences make it one of the most interesting capitals in Europe. You can choose from seeing and visiting historical and cultural attractions, art shows, taking long walks in parks and museum visits, going to concerts, parties and many more local experiences.
